

# protects soil resources

**AfricaConnect2 and ZAMREN accelerate data-intensive modelling and mapping to monitor soil degradation and to develop sustainable land management in Zambia.**

AfricaConnect2 supports the development of high-capacity internet networks for research and education across Africa.

This poster is produced as part of the AfricaConnect2 project which receives funding from the European Union under Grant Contract DCI-PANAF/2015/362-307. Its contents are the sole responsibility of GÉANT and do not necessarily reflect the views of the European Union.
